

CURRICULUM VITAE

MICHAEL J. YEDIDIA

OFFICE:

Center for State Health Policy
Institute for Health, Health Care Policy and Aging Research
Rutgers University
112 Paterson Street, 5th Floor
New Brunswick, NJ 08901
(732)932-4645 FAX: (732)932-0069
myedidia@ifh.rutgers.edu

EDUCATION:

- B.A. University of California, Davis, 1968
- M.P.H. Yale University School of Medicine, 1970
Specialty: Medical Care Organization
- Ph.D. Brandeis University, Department of Sociology, 1976

ACADEMIC HONORS:

Phi Beta Kappa, University of California, Davis, 1968
High Honors, University of California, Davis, 1968
The Departmental Citation in Sociology, University of California, Davis, 1968
Trainee, U.S. Public Health Service, 1968-70
Research Fellow, National Center for Health Services Research, DHEW, 1972-75

ACADEMIC APPOINTMENTS:

- 2006-present Research Professor, Center for State Health Policy; Institute for Health, Health Care Policy and Aging Research; Rutgers University
- 1990-2006 Full Research Professor; Associate Research Professor, Wagner Graduate School of Public Service, Program in Health Policy and Management, New York University
- 1985-1989 Associate Professor, Wagner Graduate School of Public Service, Program in Health Policy and Management, New York University
- 1992-1993 Acting Director, Health Research Program, New York University
- 1983-1984 Assistant Professor, Department of Community Health, University of Kentucky Medical Center

- 1978-1983 Assistant Professor, Departments of Sociology and Community Health (joint appointment), Brown University
- 1977-1978 Visiting Assistant Professor, Department of Sociology, Brandeis University
- 1976-1977 Assistant Professor, Department of Sociology, Tufts University; Assistant Clinical Professor of Psychiatry and Community Health, School of Medicine, Tufts University
- 1975-1976 Adjunct Assistant Professor, Florence Heller Graduate School for Advanced Studies in Social Welfare, Brandeis University
- 1970-1971 Instructor, Yale University School of Medicine, Department of Medicine, Section of Medical Computer Sciences

FUNDED RESEARCH

- 2010-2012 Principal Investigator, "National Survey of Nurse Faculty, funded by the Robert Wood Johnson Foundation, \$488,884
- 2008-2012 Principal Investigator, National Program Office, Evaluating Innovations in Nursing Education, funded by the Robert Wood Johnson Foundation, \$3,600,000
- 2008 Principal Investigator, "Evaluating Innovations to Support Nursing Faculty," funded by the Robert Wood Johnson Foundation, \$115,841
- 2008-2010 Principal Investigator, "The New Jersey Childhood Obesity Study," funded by the Robert Wood Johnson Foundation, \$1,683,000
- 2007-2008 Principal Investigator, "Professional Support for Family Caregivers," funded by the John A. Hartford Foundation, \$97,695
- 2007-2010 Principal Investigator, "Policy Analysis Support for RWJF Impact Framework and Fellowship Program," funded by the Robert Wood Johnson Foundation, \$2,070,700
- 2005-2007 Principal Investigator, "Evaluation of Achieving Competency Today (ACT)," national initiative to train residents and graduate nurses in quality improvement, funded by the Robert Wood Johnson Foundation, \$199,920

- 2003-2007 Principal Investigator, "Rethinking Doctor-Patient Relationships," funded by the Agency for Healthcare Research and Quality, DHHS (R01 HS013654), \$582,494
- 1999-2005 Principal Investigator, "Evaluation of Partnerships for Quality Education," funded by the Robert Wood Johnson Foundation, \$739,919
- 1998-2003 Research and Evaluation Director, "Improving Communication Training at Three Medical Schools," Josiah Macy Jr. Foundation, \$780,102
- 2004-2006 Co-investigator, "Evaluation of National Initiative to Reduce Race Disparities in Cardiac Care," funded by the Robert Wood Johnson Foundation
- 2002-2003 Evaluator, "Psychosocial Aspects of Bioterrorism: Education for Readiness and Response," funded by the CDC (Martin Blaser, PI)
- 2001-2003 Co-Principal Investigator (with Mack Lipkin), "NYU Health System's Response to the World Trade Center Disaster of September 11, 2001," funded by the United Hospital Fund
- 1999-2003 Principal Investigator, "Optimizing Future Roles of Psychiatrists in a Changing Health Care Environment," National Institute of Mental Health, Center for the Study of Issues in Public Mental Health
- 1997-2001 Principal Investigator (with Betsy MacGregor, M.D.), "Learning from Dying Patients," funded by the Death in America Project, Fetzer Institute, and Others
- 1998-1999 Principal Investigator, "Training Physicians for Effective Managed Care Practice," funded by the Partnerships for Quality Education, Harvard/Pilgrim Health Care (Pew Charitable Trusts)
- 1993-1997 Principal Investigator, "Determinants of Physicians' AIDS-related Practice Behavior," funded by the Agency for Health Care Policy and Research, DHHS (R01 HS08095-01)
- 1994-1998 Co-Principal Investigator (with Jon Kerner), "Barriers to Follow-up of Abnormal Mammograms Among Black Women," National Cancer Institute, NIH (R01 CA62360-01)
- 1998-2000 Principal Investigator, "Leadership Challenges Confronting Clinical Department Chairs at Academic Health Centers," Association of American Medical Colleges

- 1996-1997 Principal Investigator, "Challenges to Effective Medical School Leadership: Interviews with 22 Deans," Association of American Medical Colleges
- 1995-1997 Principal Investigator, "Evaluation of the Program in Humanistic Health Care at Beth Israel Medical Center," Nathan Cummings Foundation
- 1995-1997 Principal Investigator (with Mack Lipkin), "Interest among Sub-specialists in Retraining for Primary Care Delivery," NY State Department of Health
- 1994-1995 Principal Investigator, "Readiness for Managed Care at the VA," funded by the Department of Veterans Affairs, Health Services Research and Development Service
- 1994-1998 Study Section Member, review of research grant applications to the Agency for Health Care Policy and Research (DHHS)
- 1991-1993 Principal Investigator, "Determinants of House Officers' Responses to AIDS," funded by the Agency for Health Care Policy and Research, DHHS (RO1 HS06539-01)
- 1991-1993 Principal Investigator, "Evaluation of AIDS Clinical Training Programs for Health Professionals," funded by the New York State AIDS Institute
- 1992-1994 Co-Principal Investigator, "Evaluation of the New York State Program to Increase the Supply of Health Personnel," funded by NY State Dept. of Health
- 1990-1993 Principal Investigator, "Evaluation of Two Strategies to Increase the Supply of Health Workers," funded by a grant from the United Hospital Fund
- 1992-1996 Principal Investigator, "Longitudinal Study of Residents Training in Internal Medicine," funded by a grant from the Zlinkoff
- 1990-1991 Director, Assessment of the AIDS Educational Needs of Health Professionals in New York, Long Island, and Puerto Rico, New York-Caribe AIDS Education and Training Center, funded by the Health Resources and Services Administration (U.S. Public Health Service)
- 1988-1990 Principal Investigator, "The Impact of the AIDS Epidemic on Graduate Medical Education," funded by a grant from the Josiah Macy Foundation

- 1985-1988 Principal Investigator, "The Social Context of Clinical Decision-making: A Study of Hospital Patient Care for Ischemic Heart Disease," funded by grants from the United Hospital Fund, Long Island Jewish Medical Center, NYU's Research Challenge Fund, and the Urban Research Center
- 1975-1976 Research Director, "Health Services Utilization by Children Handicapped at Birth," funded by the Maternal and Child Health Service, U.S. DHEW
- 1972-1975 Principal Investigator, "Social and Political Factors Affecting Delivery of Primary Health Care," funded by the National Center for Health Services Research, Department of Health, Education, and Welfare
- 1971-1972 Research Associate, Department of Medicine, Beth Israel Hospital, Harvard University, Boston; Evaluator of the Ambulatory Care Project; funded by the Department of Health, Education, and Welfare
- 1970-71 Co-investigator, "Delivery of Health Services to Medicaid Patients in Two Systems of Care," funded by Social and Rehabilitation Service, Department of Health, Education, and Welfare

OTHER FUNDED PROJECTS

- 1984 "Enhancing the Managerial Capacity of the Frontier Nursing Service;" Hyden, KY; funded by the Robert Wood Johnson Foundation
- 1983-1984 Principal Investigator, University of Kentucky Medical Center, Competitive Faculty Grant for Development of Rural Health Services

C. Chapter

M Yedidia. "Nurse Practitioner-Physician Collaboration in Primary Care: Survival of an Innovation," in J.E. Steel (ed.), Issues in Collaborative Practice, New York: Grune and Stratton, Inc., 1987.

D. Selected Reviews:

Review of The Disabled State by Deborah Stone, New England Journal of Human Services, VI(January, 1986), p. 38.

Review of The Physician's Assistant by Ann Suter Ford, Contemporary Sociology, 6(January, 1977), pp. 49-50.

Review Article, Intermediate-Level Health Practitioners by Vernon Lippard and Elizabeth Purcell (eds.) and Training of the Nurse Practitioner: A Clinical and Statistical Analysis by Doris Storms, Social Science and Medicine, 9(April/May, 1975), pp. 275-276.

E. Selected Research Reports and Other Publications:

"Determinants of Physicians' AIDS-related Practice Behaviors," Final Report submitted to the Agency for Health Care Policy and Research, 1997.

"Challenges to Effective Medical School Leadership: Perspectives of Twenty-two Current and Former Deans," Final Report Submitted to the Association of American Medical Colleges, 1997.

"Delivery of Primary Care at the Veterans Affairs Medical Center: A Survey of Outpatient Service Users," Final Report Submitted to the Department of Veterans Affairs, Health Services Research and Development, 1995.

"Proceedings of the French-American Conference on Health Care Issues," French-American Foundation, 1994.

"Program-Level Evaluation of the Health Personnel Rate Adjustment Program," New York State Department of Health, 1994.

"Determinants of House Staff Responses to AIDS," Final Report Submitted to the Agency for Health Care Policy and Research, 1993.

"Findings from Surveys of the 1992-93 Participants in the New York State HIV/AIDS Clinical Scholars Program," AIDS Institute, New York State Department of Health, 1993.

"HIV Training and Service Delivery at Selected Primary Care Sites in New York State: A Survey of Capacity, Needs, and Potential," AIDS Institute, New York State Department of Health, 1993.

"Integrating HIV-related Primary Care and Substance Abuse Treatment: Findings from a Survey of Substance Abuse Treatment Centers in New York State," AIDS Institute, New York Department of Health, 1992

"Evaluation of AIDS Training Programs for Primary Care Providers," AIDS Institute, New York State Department of Health, 1991.

"Factors Promoting or Impeding Entry into Health Careers: A Survey of N.Y. Health Careers Center Clients," Greater New York Hospital Association, United Hospital Fund, 1991.

"The AIDS Education and Training Needs of Primary Care Providers: A Needs Assessment," New York AIDS Education and Training Center, Health Resources and Services Administration, 1991.

"Factors Influencing Residency Recruitment and Training," Final Report to the Macy Foundation, 1990.

"Social and Political Ingredients of the Primary Care Process: A Study of Family Nurse Practitioners in North Carolina," Doctoral Dissertation, Department of Sociology, Brandeis University, 1976.

"Experimental Design for the Evaluation of Chronic Disease Management by Protocol," (with Barney Reiffen), Project Report ACP-24, a joint publication of M.I.T. Lincoln Laboratory and the Beth Israel Hospital, Boston, 1971.

"The Role of the Family in the Utilization of Medical Care Services," Master's Thesis, Department of Epidemiology and Public Health, Yale University, 1970.

SELECTED PAPERS DELIVERED, 1989-2004

- 2004 "Rethinking Doctor-Patient Relationships: Lessons from End-of-Life Care," Grand Rounds, Beth Israel Medical Center, New York, NY; September 2004
- 2004 "Outlook on Collaborative Interdisciplinary Teamwork Among Trainees in Four Professions," refereed paper, International Conference on Interprofessional Education and Collaborative Practice; Vancouver, British Columbia; May, 2004
- 2003 "The Impact of Communications Training on Medical Student Performance," Association of American Medical Colleges, Annual Meeting
- 2003 "Communications Training Improved Student Performance: Findings from a Controlled, 2-School Experiment," Society for General Internal Medicine, Annual Conference; Vancouver, BC, May 2003
- 2003 "Patient Perceptions of Physician Support for Self-Management of Diabetes and Asthma," Partnerships for Quality Education, national meeting; San Francisco
- 2002 "The Impact of Interdisciplinary Team Education on Attitudes toward Collaborative Practice," Partnerships for Quality Education, national meeting, Boston, MA
- 2002 Preliminary Findings from the National Evaluation of the Collaborative Interdisciplinary Team Education Initiative" Atlanta
- 2001 "Measures for Assessing Managed Care Competence," presenter and co-convenor, University of Michigan, Ann Arbor
- 2001 "Evaluating Managed Care Training," National Meeting, Partnerships for Quality Education, Atlanta
- 2001 "Measuring Outcomes of Innovative Medical Education Training Programs," UME-21 Annual Conference, HRSA, Washington, D.C.
- 2001 "Lessons to be Learned from Evaluating Communications Training for Medical Students," Macy Foundation
- 2001 "Achieving Relevance in Research Addressing Multiple Systems and Supports" NIMH All-Centers Meeting, New York.
- 2001 "The Role of Theory in Policy Research," Doctoral Breakfast, Wagner Graduate School
- 2000 "Essential Competencies for Managed Care Practice," David E. Rogers Health Policy Colloquium, Cornell Medical School

- 2000 "Evaluating Interdisciplinary Team Training," National Meeting, Collaborative Interdisciplinary Team Education Initiative, San Diego
- 1999 "Evaluation of Physician Competence in Population Health," Association of American Medical Colleges (AAMC) Annual Meeting
- 1999 "Learning from Dying Patients," Grand Rounds, Mount Sinai School of Medicine
- 1999 "Dying and the Inner Life," Department of Palliative Care, Beth Israel Medical Center
- 1995 "Tribute to Irving Kenneth Zola " American Sociological Association, Washington D.C., August
- 1994 "Evaluating Health Care Programs," Nicholas Rango Seminar for HIV Clinical Scholars, AIDS Institute, New York State Department of Public Health, November
- 1995 "Loss of Primary Care: Difficulties in Measuring Health Outcomes for the Uninsured and Underinsured," (with the Ambulatory Care Access Group), American Public Health Association Annual Meeting, October
- 1993 "Evaluation of an Initiative to Recruit and Retain Workers for Allied Health and Nursing Professions in New York State," (with Colleen Hirschhorn and Carolyn Berry), American Public Health Association Annual Meeting, October.
- 1993 "Recruiting and Retaining Allied Health and Nursing Personnel in New York," (with Colleen Hirschhorn and Carolyn Berry), Annual Health Services Research Symposium, New York
- 1993 "Quality Assurance and Evaluation of Medical Care: Responsibility of the Different Players," Invited Paper, French-American Conference on Health Care Issues; Paris, France, December
- 1992 "The Use of Focus Groups in Health Services Delivery," Didactic Session Organizer and Presenter, Annual Health Services Research Symposium, New York, November
- 1992 "Integrating HIV-related Primary Care with Substance Abuse Treatment," American Public Health Association Annual Meeting, November
- 1992 "Strategies for Delivering AIDS Clinical Training to Primary Care Providers," Jointly authored and delivered by Clara Jones, M.D.; International AIDS Conference; Amsterdam, July

- 1991 "Determinants of House Officers' Responses to AIDS," Invited Paper, HIV-AIDS Health Services Research and Delivery, Agency for Health Care Policy and Research; Miami, FL, December
- 1991 "Evaluation of a Program to Increase the Supply of Health Workers," American Public Health Association Annual Meeting, October
- 1991 "The Future of Nurse Practitioners," New York State Nurses' Association, June
- 1991 "Methodological Issues in Studying Access to Care," Society for General Internal Medicine, Annual Meeting, May
- 1990 "Physicians' Attitudes Toward AIDS at Different Career Stages," American Sociological Association, Annual Meeting, August.
- 1989 "Serving Lower-income Patients: Treatment of Ischemic Heart Disease at a Public and a Voluntary Hospital," American Public Health Association, Annual Meeting
- 1989 "The Importance of AIDS as a Factor Influencing Residency Selection among Fourth-Year Medical Students," American Public Health Association, Annual Meeting, October.
- 1989 "House-staff, Faculty and Applicant Views of the Impact of AIDS on Residency Recruitment and Training," American Public Health Association, Annual Meeting, October.
- 1989 New York State Council on Graduate Medical Education, New York, NY; Invited Speaker, "Studying the Impact of the AIDS Epidemic on Resident Recruitment and Training," March, 1989
- 1989 United Hospital Fund, New York, NY; Invited Speaker, "Treating Ischemic Heart Disease at a Public and a Voluntary Hospital," Funder's Conference, April, 1989

SELECTED OTHER SPEAKING ENGAGEMENTS AND CONSULTATIONS

- 1991-1992 Elmhurst Hospital Center, Department of Medicine; Design and implementation of focus group interviews for assessing the primary care needs of patients from selected ethnic segments of the community
- 1988 United Hospital Fund, New York, NY; Invited Speaker, "The Social Context of Clinical Decision-making," Conference on Defining a Health Research Agenda for New York; January 26, 1988

- 1987 The Hastings Center, Briarcliff Manor, NY; Seminar Speaker, "DRGs and Cost Containment in Medicine: Justice Issues"; November 2, 1987
- 1986 Kentucky Primary Care Association, Lexington, KY; Perinatal Care Initiative; Design of prepaid maternity services program for indigent women
- 1984-1986 Frontier Nursing Service, Hyden, Kentucky; Consultant on long-term care programs and delivery of services to under-served populations
- 1985 Guest Lecture, "Implementation of DRGs: Anticipated Problems and Prospects," Baruch College, Program in Health Administration
- 1985-1986 Co-chair, Columbia University Seminars on Social and Preventive Medicine
- 1982-1983 Brown University; Co-chair, C.V. Starr Lectureship Series: "Health Policy-making in an Era of Fiscal Retrenchment"
- 1980 Association for Behavioral Science and Medical Education (ABSAME), Fall Conference, Boiling Springs, PA; Invited Lecturer, "What Is It We are Delivering? A Commentary on the Impact of Health Policy-making on the Content of Primary Care Services"
- 1978 Maine Medical Center; Visiting Lecturer, Family Nurse Associate Project
- 1976-1977 Health Planning Council for Greater Boston; Faculty, Community Education Workshops; "The Medical School and the Community (1976)" and "Holistic Health Care (1977)"
- 1976 National Science Foundation; Consultant, Evaluation of Telemedicine Projects
- 1976 University of Vermont School of Medicine, Burlington, VT; Evaluator, Problem Oriented Medical Information System (PROMIS)
- 1976 University of Illinois; Visiting Lecturer; Seminar on training of health care providers
- 1976 Massachusetts College of Optometry; Visiting Lecturer, Social Optometry
- 1975-1976 University of Connecticut; Visiting Faculty, Workshops on health manpower training
